

Directions for the Yeo Valley Holiday Park & the Blackcock Inn  
The start of the Saturday run.

This is probably the best route from the north, east or south but if coming from west Devon take the B3227 out of South Molton for about 4 miles and the turning is on the left signposted as The Blackcock Inn and Twitchen and is about a mile down the lane.

From every where else take junction 27 off the M5 and at the roundabout take the exit signposted Tiverton A361, stay on the A361 North Devon Link road until the roundabout then take the 3<sup>rd</sup> exit signposted A396 Bampton, pass through Bolham and Cove until eventually you reach the Exeter Inn roundabout where you take the first exit signposted South Molton. Stay on this road and do not deviate as it becomes the B3227 and you cross the River Exe, keep going until eventually you pass the Jubilee Inn and carry on for 4.5 miles staying on the B3227 when you will see the sign for the Blackcock Inn and Twitchen take this right turn and it is about a mile down the lane.

Directions for the Bovey Tracey scout hut and the start of the Sunday run.

From the A38 leave the road at Drum Bridges signposted Newton Abbot and Bovey Tracey, at the roundabout take the 4<sup>th</sup> exit signposted Bovey Tracey and Moretonhampstead. Go straight over traffic lights and carry on to the roundabout where you go straight over (2<sup>nd</sup> exit) signposted Lustleigh/ Town centre & Moretonhampstead. Follow the road to the next roundabout where you take the 3<sup>rd</sup> exit signposted Town centre then almost immediately take the first left signposted Heritage centre by Peel House and the start is about 100 yards on the right.
